

Curriculum Vitae

Dr. Catherine M. Scott

July 2024

I. Biographical Data:

Name: **Catherine (Cathie) Mary Scott**
Address: 3360 Juniper Dr.
Naramata, British Columbia, V0H 1N1
Website: k2aconsulting.ca

Primary affiliation: Lead Executive Officer
K2A Consulting

University of Calgary affiliations

Associate Professor (Adjunct), Community Health Sciences, Faculty of Medicine

Other Affiliations

Associate Faculty – Faculty of Management, Royal Roads University
Adjunct Professor – Faculty of Health and Social Development, University of British
Columbia – Okanagan

II. Academic Record:

Final degree: PhD
Date completed: September, 2001
Department: Community Health Sciences
Institution: University of Calgary, Alberta Canada

i. Undergraduate:

Bachelor of Science Physical Therapy (1978 – 1982). University of Alberta, Edmonton AB

ii. Graduate and post-doctoral:

- A. CADRE CHSRF/CIHR Postdoctoral Fellowship (2004 – 2006), Universities of Calgary and Alberta, Calgary and Edmonton AB
- B. PhD, Community Health Sciences (1997-2001), University of Calgary, Calgary AB. **Scott CM** (2001). Partnership theory for Canadian health systems: an analysis of theory and practice. Calgary, AB, University of Calgary.
- C. Master of Science, Community Health Sciences (1991 - 1993), University of Calgary, Calgary AB. **Scott-Taplin CM.** (1993) Master's Thesis - The development of partnerships among community agencies. Calgary, AB, University of Calgary.

Curriculum Vitae

iii. Continuing Education (select courses):

2023 (Aug-ongoing)	Indigenous Canada – University of Alberta certification
2021 (April-May)	LeaderFactor – Certification in Psychological Safety
2021 (Jan)	Gamestorming – Virtual Facilitation Training Certificate
2020 (Jan-Aug)	Graduate Certificate in Executive Coaching
2018- 2019	Executive Coaching – TallTrees Leadership

III. Awards and Distinctions

2012	Alberta Health Services AHS Executive Education Program
1999	Recognition for Contribution to Teaching Continuing Medical Education, Faculty of Medicine, University of Calgary
1993	Nomination for Governor General’s Gold Medal

Postdoctoral Fellowship

2006	Canadian Health Services Research Foundation Postdoctoral Fellowship
------	---

Doctor of Philosophy, University of Calgary

1998	The Province of Alberta Graduate Fellowship
1998	The Province of Alberta Graduate Scholarship
1997	The Alexa W. Church Graduate Scholarship in Medical Sciences

Bachelor of Science, University of Calgary

1981	Province of Alberta Scholarship
1979	Province of Alberta Scholarship
1978	Province of Alberta Scholarship

IV. Academic Appointments

2022-Current	Adjunct Professor, Faculty of Health and Social Development, School of Nursing, University of British Columbia-Okanagan
2021-Current	Adjunct Faculty, Faculty of Management, School of Business, Royal Roads University
2007 – current	Adjunct Associate Professor, Department of Community Health Sciences, Cumming School of Medicine, University of Calgary
2007 – 2023	Adjunct Assistant Professor, Department of Sociology, Faculty of Social Sciences, University of Calgary

V. Educational Activities

Undergraduate Student Supervision

Kaela Schill	Inaugural Service Learning (AHS Placement) in collaboration with Supervisor Dr. A.L. Casebeer, O’Brien BHSc Program
--------------	---

Curriculum Vitae

University of Calgary (2012 – 2013)

Denise Ferris O'Brien BHSc Program
University of Calgary (2007 – 2008)

Summer Student Supervision

2016 Valerie Salt, STEP Student
Home visitation and foundations of caregiver support projects

ii. Graduate:

2022 (Spring) Instructor, NRSG 505-Health Care Policy, University of British Columbia - Okanagan

2009 Co-instructor and Course Design MDSC 755.07 "Knowledge Linkage and Exchange" Community Health Sciences Graduate Level Course

2003 - 2004 Coordinator and Instructor MDSC 659.02, Health Research Methods Community Health Sciences Graduate level course

2003 Co-Instructor IntD 506, Health Promotion with Women Community Health Sciences Graduate level course

2002 – 2004 Co-Instructor MCSC 659.05, Qualitative Research in Health Community Health Sciences Graduate level course

2000 Teaching Assistant MDSC, Determinants of Health

1998 - 2000 Co-Instructor and Course Design MDSC 659.03/IntD 504, Health Program Planning and Evaluation
Involved in the adaptation of this course for delivery through distance education media in a joint venture between the University of Calgary and the University of Alberta

1999 Teaching Assistant MDSC 659.02, Research Methods II Community Health Sciences Graduate level course

Graduate Students Supervised – Co-Supervisor

Naomi Parker Doctoral Student, Faculty of Management, School of Business
Royal Roads University, (2021 – 2024)
Facilitating Multidisciplinary Team Functioning in Child and Youth Advocacy Centres using Shared Mental Models

Ryan Mallard PhD Student, Department of Community Health Sciences
University of Calgary (2019 – 2024 (incomplete))
Implementing complex primary healthcare interventions and the influences of participation and context

Kimberley Manalili PhD Student, Department of Community Health Sciences
University of Calgary (2018- 2022)
Development of patient-centered quality indicators for primary care

Curriculum Vitae

- Kaylee Ramage PhD Student, Department of Community Health Sciences
University of Calgary (2015 - 2021)
Access to care issues among low-income adolescent girls who have connected with the child welfare system.
- Ekatarina Loban PhD student, Department of Community Health Sciences
McGill University, Montreal QC (2015 – 2021)
Multi-stakeholder partnerships to promote access to primary healthcare for vulnerable populations.
- Carol Cullingham Master's student, Department of Sociology
University of Calgary (2008 - 2013)
New mothers' networks in the Canadian context: A combined methods investigation into the characteristics, function, and dynamics of first-time mothers' social networks.
- Greg Yelland PhD student, Department of Community Health Sciences
University of Calgary (2009 - 2012)
Information flows, complexity, and organizational culture in Alberta primary care networks

Graduate Students Supervised – Policy Mentor

- Lauren Albrecht PhD Student, Department of Pediatrics
University of Alberta (2015 – 2018)
Health literacy, knowledge translation, and communication
Awards: *Alberta Innovates Health Solutions Graduate Studentship Award*

Graduate Students Supervised – Practicum and Capstone Project Supervisor

- Ceileann Regan Master's student, Master of Public Health
University of Alberta (2018)
Mobile models for delivering integrated services addressing youth mental health
- Janine Elenko Master's student, School of Public Health
University of Alberta (2017)
Collaboration in health systems
- Nakul Sharma Masters of Public Health
University of Alberta (2013 - 2015)
Evaluation of health service interventions
- Anna Brown Masters of Public Health
University of Alberta (2015)
Collaboration in health systems

Curriculum Vitae

Cheryl Houtekamer Masters of Public Health
University of Alberta (2014)
Partnership, collective impact, and developmental evaluation

Graduate Students Supervised – Committee Member

Sharon Armstrong PhD student, Faculty of Nursing and Midwifery
Latrobe University, Melbourne AU (2015 – 2024 incomplete)
Evaluating models for improving access to primary healthcare for people experiencing homelessness.

Karen Melon Master's student, Faculty of Nursing
University of Calgary (2008 - 2012)
Institutional ethnography of capacity initiatives in acute care.

Peter Levesque PhD Student, Institute of Population Health
University of Ottawa (2008 - 2009)
Promoting mental health for Canadians from an ecological perspective.
Withdrew from Graduate studies Summer 2009

Laura Weeks PhD student, Department of Community Health Sciences
(Vanderheyden) University of Calgary (2005 - 2009)
Media portrayal of complementary and alternative medicine for cancer.

Annette Vrogindey Master's Student, Department of Community Health Sciences
University of Calgary (2004 - 2006)
Fibromyalgia and complementary therapy use.

Laura Vanderheyden Master's Student, Department of Community Health Sciences
University of Calgary (2004 - 2005)
Evaluability assessment as a tool for research network development: experiences of the complementary and alternative medicine education and research network of Alberta.

Thesis External Examiner

Bridgette Krieg PhD Faculty of Social Work, 2008, University of Calgary

Patricia Babinek Master's, Faculty of Communications and Culture, 2006, University of Calgary

Angela Busch PhD Faculty of Social Work, 2005, University of Calgary

PhD Candidacy Examination

Bidgette Kreig PhD, Faculty of Social Work, 2006, University of Calgary

Donna Gallant PhD, Faculty of Nursing, 2004, University of Calgary

Curriculum Vitae

Post-Doctoral Students Supervised – Primary Supervisor:

Charmaine McPherson Post-doctoral Fellowship, Source: Canadian Health Services Research Foundation, REISS grant. Focus: Primary care and interprofessional practice, 2008-09

VI. Administrative Responsibilities

i. External:

2020 – current	Lead Executive Officer, K2A Consulting
2021-2022	Impact Measurement Coach - Innoweave
2016 – 2020	Chief Knowledge and Policy Officer, PolicyWise for Children & Families
2014 – 2016	Chief Operating Officer and Lead for Policy Research, Alberta Centre for Child, Family and Community Research
2013 – 2014	Director, Policy Research & Strategy, Alberta Centre for Child, Family and Community Research
2012 – 2013	Senior Provincial Director, Leading Practices & Innovation, Alberta Health Services
2010 – 2012	Executive Director, Knowledge Management, Alberta Health Services
2009 – 2011	SEARCH Canada Transition Steering Committee
2009 – 2010	Director, Knowledge Management Capacity Building, Alberta Health Services
2008 – 2009	Director, Research, Evaluation & Knowledge Exchange & SEARCH Canada Faculty Member, Alberta Health Services
2006 – 2008	Director, Knowledge to Action Department, Calgary Health Region
2004 – 2006	Consultant, Calgary Health Region
1989 – 2006	Lead, CST Consulting

ii. Departmental:

1999 – 2001	Co-editor, Community Health Links, Departmental Newsletter – Department of Community Health Sciences
-------------	--

iii. Faculty / University:

2005 - 2006	Co-Chair, Health Research Methods Course, University of Calgary & Calgary Health Region
2004 - 2005	Treasurer, Health Promotion Research Group
2002 – 2007	Co-Chair, Health Promotion Research Group
2002 – 2003	Student Representative, Executive Committee, Department of Community Health Sciences, Faculty of Medicine
1992 – 2003	Health Promotion Research Group

VII. Professional Activities

i. Membership in professional and learned societies

2021 – 2023	Canadian College of Health Leaders
2020 – Ongoing	International Coaching Federation

Curriculum Vitae

1999 – 2023	Canadian Evaluation Society
1998 – 2001	Ad hoc Committee for Women and Economic Justice
1998 – 2000	Alberta Public Health Association
1997 - 2013	Canadian College of Health Leaders
1997 – 2000	Alberta Consortium for Health Promotion Research and Education
1995 – 2006	Canadian Consortium for Health Promotion Research
1993 – 1995	Evaluation Advisory Committee, Healthy Child Initiative, Southern Alberta

ii. Professional service

2015 – 2018	Reforming Family Justice System, Ministry of Justice, Government of Alberta. Developmental Evaluation Committee; Public Engagement Working Group.
2015 - 2017	Advisory Committee, Centre for Child Wellbeing, Mount Royal University

2006 – 2009	Coordinator, SEARCH Canada Initiatives within Calgary Health Region
2006 – 2013	Chair, Primary Care Research and Evaluation Committee, Calgary Health Region
2006 – 2007	Planning Committee, International Network Leadership Symposium
2006 – 2007	Advisory Committee Member – AHFMR & RTNA KT Environmental Scan
2006	Facilitator, Population Health Data Repository Retreat – Sponsored by Population Health Surveillance, Calgary Health Region
2006	Report writer and participant. CHSRF Network Leadership Summit II
2006	Advisory Committee Member, Saskatchewan Health Research Foundation – KT Capacity Development Initiative
2006	Lead, Development of Decision Support unit within the Calgary Health Research Portfolio, Calgary Health Region
2005 - 2006	Participant, CHSRF Network Leadership Summit I
2005	Advisory Member – CHSRF Interprofessional Education and Practice Research Program
2005	Evaluation Coordinator, Public Health Nurse – Community Development Training Program, Calgary Health Region
2004 - 2005	Evaluation Team Member, Alberta Healthy Living Network

Curriculum Vitae

2003 – 2013 Women and a Fair Income Working Group

iii. Journal Reviews:

Canadian Medical Association Journal
International Journal of Health Policy and Management
Journal of Interprofessional Care
International Journal of Integrated Care
Canadian Journal of Public Health

iv. Grant Review Committees

2009 Canadian Health Services Research Foundation
1995 – 2002 Health Promotion Contribution Program, Health Canada, Alberta/NWT
Region

VIII. Research Support

Current

1. *Healthy public policy through engagement: promoting the mental health of Canadian children*

Principal Investigator: Haines-Saah R, Jenkins E, Lampard R, Morris J
Co-investigators: Barwick MA, Bungay V, Dobbins M, Lind C, Scott C, Waddell C
Funding: \$175,950
Funding sources: CIHR
Years: 2017 – (incomplete)

2. *IMPACT 2.0: Leveraging promising community health system partnerships to improve access to appropriate care for vulnerable populations*

Principal Investigator: Haggerty J
Co-investigators: Scott CM, Lewis VL
Funding: \$70,00
Funding sources: CIHR
Years: 2019-2024 (final report to funder to be submitted)

Complete

3. *Policies and program innovations that connect primary healthcare, social services, public health and community supports in Canada: A comparative policy analysis*

Principal Investigator: Haggerty J, Scott C, Couturier Y, Barrett M, Berg S, Currie L, Dawe R, Doucet S, Junker A, Montelpare W, Quesnel-Vallée A, Roy D, Stewart T, Sutherland J, Tschupruk C, Urquhart R
Co-investigators: Anderson K, Aubrey-Bassler F, Azar R, Bhattacharyya O, et al
Funding: \$253,000
Funding sources: CIHR

Curriculum Vitae

Years: 2016 - 2023

4. ***IMPACT: Innovative Models Promoting Access-to-Care Transformation***

Principal Investigator: Russell G, Haggerty J, Levesque JF, Harris M, **Scott C**, Dahrouge S, Lewis V, Stocks N

Co-investigators: Advocat J, Breton M, Browning C, Chiocchio F, Crabtree B, Christley S, Lemelin J, Rodrigue J, et al.

Funding: \$2,438,602

Funding sources: CIHR

Years: 2013 – 2022

5. ***Creating a Common Data Vocabulary for the Non-Profit Sector***

Principal Investigator: **Scott C**

Co-investigators: Lau J, Jagodzinski R, Cui X

Funding: \$50,000

Funding Source: SSHRC Connection Grant

Years: 2020-2021

6. ***Evaluating the impact of primary care patient-provider relationships on emergency department utilization by adolescents and young adults with chronic conditions***

Principal Investigator: Schraeder, K., Samuel, S. (PI), Seidel, J. (PI-Knowledge User)

Co-investigators: Chomistek, C. (PI-Patient/Caregiver Rep), Bakal, J., Dimitropoulos, G., Mackie, A., McBrien, K., Nettel-Aguirre, A., Pacaud, D., Patten, S., Reid, G., **Scott, C.**, Zwicker, J., Arnold, P., Bahler, B., Jennings, J., Ryan, L., Thul, D.

Funding: \$22,000 (Department of Pediatrics Innovation Award)
\$81,572 (CIHR Operating Grant)

Funding Source: Department of Pediatrics Innovation Award, Cumming School of Medicine, University of Calgary
CIHR Operating Grant: Transitions in Care – Evaluation Grant

Years: 2019-2021(2 years)

7. ***A critical review of youth peer support models across the continuum of integrated mental health services***

Principal Investigator: Dimitropoulos G & **Scott C**

Co-investigators: MacNeil L, Iyer S, Henderson J, Munson M, Clements R, Jones S, Christie R, Hayes F, Thomas L, Raimundo A, Allemang B, Cullen O, Parker N, Taplin D, Campbell A, Phillips K, Markoff N, Schipper E, Hayes D.

Funding: \$50,000

Funding Source: NCE-IKTP Youth Mental Health ("Frayme")

Years: 2019-2020

Curriculum Vitae

8. *Bringing care to those in need: Translating a “Pop-Up” Health and Welfare intervention to vulnerable communities in south-east Melbourne*

Principal Investigator: Russell G, Scott C
Co-investigators: Campbell D, Stuart D, Macindoe R, Kunin M, Enticott J
Funding: \$200,000 AUD
Funding sources: The Department of Health (Australia)
Years: 2019

9. *Towards a broader understanding of the association between pregnancy intention and maternal mental health: Using a multidimensional measure with a longitudinal cohort*

Principal Investigator: Ramage K, Scott C
Funding: \$5,000
Funding sources: PolicyWise for Children & Families
Years: 2018 - 2019

10. *TRANSFORMATION – Transforming CPHC Delivery Through Comprehensive Performance Measurement and Reporting (2013-2018)*

Wong S, Haggery J, Hogg W (PI), (Co-I) Scott C et al
Funding: \$500,000 Funding sources: Michael Smith Foundation for Health Research

11. *Transforming CPHC Delivery Through Comprehensive Performance Measurement and Reporting (2013-2018)*

Wasylak T (PI), (Co-I) Marshall DA, Marlett N, Noseworthy T, (Advisors) Rees J, Scott C
Funding: \$1,986,401 Funding sources: CIHR

12. *Patients Matter: Engaging Patients as Collaborators to Improve Osteoarthritis (OA) Care in Alberta (2011-2013)*

Wasylak T (PI), (Co-I) Marshall DA, Marlett N, Noseworthy T, (Advisors) Rees J, Scott C
Funding: \$206,850 Funding sources: CHSRF

13. *Integrated KT/KM Approach to Decision-support for the Alberta Bone and Joint Clinical Network (2010-2011)*

Marshall D (PI), (Co-I) Scott C
Funding: \$13,500 Funding sources: Alberta Innovates Health Solutions

14. *Shifting Ground, Common Ground: Understanding the Evolving Primary Care Practice (2009-2010)*

Crabtree B, Dahrouge S, Geneau R, Gunn J, Harris M, Levesque JF, Miller W, Russell G, Scott C (PI)
Funding: \$100,000 Funding sources: CIHR

15. *A Decision Support Tool for Planning Integrated Sustainable Health Services for Patients with Osteoarthritis of the Hip and Knee (2010-2011)*

Curriculum Vitae

Marshall D (PI), (Co-I) Carter M, Frank C, Maxwell C, Scott C, et al
Funding: \$240,000 Funding sources: CIHR – The Arthritis Society

16. *A Place for Story in Healthcare (2009-2011)*

Scott C (PI), (Co-I) Gall VN, Spencer M, Wolansky T, Parboosingh, J.
Funding: \$9,820 Funding sources: AHFMR

17. *Innovative Education Workshop Design: Interprofessional Practice in Diabetes Care. (2008 – 2009)*

Parboosingh J. (PI), (Co-I) Scott C
Funding: \$33,000 Funding sources: Health Education, Merck-Frosst Canada

18. *A Social Network Approach to Understanding Obesity Research Networks at the University of Alberta (2008)*

Sharma A (PI), (Co-I) Scott C
Funding: \$3,744 Funding sources: Canadian Obesity Network

19. *GRIDLOCC Evaluation (2008-2009)*

Scott C(PI), (Co-I) MacKean G
Funding: \$200,000 Funding sources: Alberta Health & Wellness

20. *Canadian Obesity Network & Interprofessional Practice: Members' Views (2007-2008)*

Russell-Mayhew, S (PI), (Co-I) Scott C
Funding: \$10,000 Funding sources: University of Calgary – University Research Grants Competition

21. *A Management and Decision Support Tool for Local Decision-makers (2007)*

Poulin P. (PI), (Co-I) Scott CM, Gall, VN, Seidel J & Lafreniere R.
Funding: \$100,000 Funding sources: CADTH

22. *Fostering Interprofessional Relationships through the Canadian Obesity Network Study (2007)*

Russell-Mayhew S. (PI), (Co-I) Scott C
Funding: \$8,704 total (2 years)

23. *Strengthening Primary Healthcare Services Through Innovative Practice Networks (2007-2010)*

Scott C (PI), (Co-I) many
Funding: \$400,000 Funding sources: Canadian Health Services Foundation, REISS Competition; AHFMR; Calgary Health Region

24. *Local Health Technology Assessment Tools for Local Decision Makers (2006)*

Poulin, P. (PI), (Co-I) cott CM, Gall VN, Seidel J, Lafreniere R.
Funding: \$100,000 Funding sources: CADTH

Curriculum Vitae

25. *Promoting Public Dialogue on Poverty in Alberta (2005-2006)*

Scott C (PI), (Co-I) Thurston WE on behalf of the Women and A Fair Income Working Group
Funding: \$43,889 Funding sources: Women's Program, Status of Women Canada

26. *Promoting Public Dialogue on Poverty in Alberta (2005)*

Scott C (PI), (Co-I) Thurston, WE on behalf of the Women and a Fair Income Working Group
Funding: \$9,638 Funding sources: National Homelessness Initiative

27. *Conference Support for the Women and A Fair Income Photovoice Project (2006)*

Scott C (PI), (Co-I) Thurston WE
Funding: \$7,000 Funding sources: Special Projects Grant, University of Calgary

28. *Photovoice Project Support (2013-2015)*

Scott C (PI), (Co-I) Thurston WE. & Farkas J on behalf of the Women and A Fair Income Working Group
Funding: \$8,000 Funding sources: Family and Community Support Services

29. *Advocating for Women and A Fair Income: A Photovoice Project (2003-2005)*

Scott C (PI), (Co-I) Thurston WE. on behalf of the Women and A Fair Income Working Group
Funding: \$5,000 Funding sources: Institute for Gender Research

30. *Collaboration in Context (Conference Grant) (2002)*

Thurston WE (PI), (Co-I) Scott C
Funding: \$5,500 Funding sources: SSHRC

31. *The Differential Impact of Health Care Privatization on Women in Alberta (2000)*

Scott C (PI), (Co-I) Horne T, & Thurston WE
Funding: \$5,000 Funding sources: Prairie Women's Health Centre of Excellence

IX. Invited Addresses

1. Lessons learned from IMPACT Pop-up intervention in Alberta. Presentation and workshop to Monash University Primary Care research teams. Melbourne, Victoria
2. Lessons learned from IMPACT Pop-up intervention in Alberta. Presentation to NSW health service policy leads. Sydney NSW, October 2018.
3. Policy Outcomes Panel. Panel presentation to NSW health service policy leads. Sydney NSW, October 2018.
4. Implementing youth service hubs. Understanding integrated youth services and the Alberta context. Symposium, Calgary AB, April 11 2018.
5. Are current downstream responses in Calgary demonstrating progress? Panel presentation. Calgary Symposium on Substance Misuse, Calgary AB, June 4, 2018.
6. The art and science of building healthy children: an upstream collective community response to address youth substance misuse in Calgary. Panel Presentation, Calgary Symposium on Substance Misuse, Calgary AB, June 4 2018.

Curriculum Vitae

7. Using evidence to promote leading practices in housing and homelessness. Homeward Trust 2018 Research Symposium, Edmonton AB, September 2018.
8. Creating Connections. Calgary Council for Addiction & Mental Health, Calgary AB, February 2018
9. Change Makers: Combating early childhood adversity: Reaching vulnerable children at school. Canadian Institutes for Advancement of Research & ACCFCR sponsored event. Calgary, AB June 29 2016.
10. Knowledge management and mobilization implementation planning – Phase 2. Ministry of Human Services, Government of Alberta – Division Workshop. Edmonton, AB. 2016
11. Presentations related to knowledge management and mobilization, research, and evaluation to the Ministries of Health, Education and Human Services. 2015-16
12. Knowledge products and 12 teams deliverables: Overview of organizational learning approaches. CIHR Community-Based Primary Healthcare Innovations. Ottawa, ON. 2015
13. Evaluation research. Guest Lecture. Bachelor of Health Sciences, University of Calgary. Calgary, AB. 2015
14. Knowledge management and mobilization implementation planning. Ministry of Human Services, Government of Alberta – Division Workshop. Edmonton, AB, 2014.
15. Connecting People, Information & Practice: Making Knowledge Work in AHS. Invited Panel presentation at the RTNA Conference: Innovate, Integrate, Influence. Edmonton, AB. Nov 21-23 2010.
16. Lunch with the experts. Grappling with the big picture: organization-wide KT. Invited session at the RTNA Conference: Innovate, Integrate, Influence. Edmonton, AB. Nov 21-23 2010.
17. Knowledge management: Learning as we go, sharing what we know. Invited Workshop at the RTNA Conference - Innovate, Integrate, Influence. Edmonton, AB, Nov 21-23 2010.
18. Learning as we go, sharing what we know: Lessons learned from changing health systems. Innovations in Mental Health Services Conference. February 18-19 2010. Berlin, Germany.
19. Demystifying the “K” word” – Knowledge Exchange in Complex Public Sector Organizations. City of Calgary – Knowledge Exchange Luncheon. November 27 2008. Calgary, AB.
20. KM Podcast. Episode 7 – CCL KM Podcast – Interview with Peter Levesque Retrieved from the Internet February 4, 2008.
21. CoMPaIR Program of Research, Research in Progress Rounds, Elizabeth Bruyere, Ottawa, December 12, 2007.
22. Panel – What does an organization look like that practices this way? Research Transfer Network of Alberta (RTNA) 2007 Conference – Knowledge Transfer: Raising the Stakes for System Change, October 1-3, Edmonton, Alberta.
23. Closing International Panel. 14th International Conference on Multi-organizational Partnerships, Alliances and Networks – “Learning for Interdependence”, June 28-29 2007, Leuven, Belgium.
24. Knowledge into Action. Northern Health Research Use Days. Prince George. May 9 2007.
25. Panel Presentation – “The Next Generation” at “Past, Present and Future of Evidence-Informed Decision-making 1997-2017” CHSRF, Montreal, Que. March 22-22, 2007.
26. Panel Presentation – “Strengthening Primary Healthcare Services Through Innovative Practice Networks” at the 2006 CHSRF Primary Healthcare Renewal Symposium - Sustaining Primary Healthcare Renewal. Vancouver, September 19-20. CHSRF 2006

Curriculum Vitae

27. Participatory research and capacity development: the photovoice example. Ontario Training Centre in Health Services and Policy Research: York University, 2006.
28. Putting Greenhalgh to work. CScott & JBirdsell Can this conceptual model be applied? Knowledge Utilization Studies Program Brown Bag Lunch, March 7, 2006.
29. Facilitator - Participatory research as a tool for popular education. Social Work Class. January 31, 2006, Calgary.
30. Collaboration in community development: Who's in, who's out, and how do we move forward? Workshop prepared for Healthy Living, Calgary Health Region, Alberta. (June 2005)
31. Overview of Qualitative Research. Prepared for Northern Alberta Clinical Trials Research Centre (NACTRC), Edmonton, Alberta. (June 7, 2005)
32. Case Study Review, Centre for Knowledge Transfer Spring Institute, Edmonton, Alberta (May 2-6, 2005)
33. Advocating for Women and a Fair Income: Photovoice as a tool for social change. Public presentation to regarding action strategies to address poverty in Alberta, (March 8, 2005), Rocky Mountain House, Alberta.
34. Introduction to Research Methods. Calgary Health Region: Quality Improvement and Health Information Staff Development Seminar. (January 6, 2005)
35. Photovoice as a tool for social change. Social Innovation for Families. Family Services Canada Annual Conference. September 29-30 2005, Gatineau (Hull), QC.
36. Advocating for Women and a Fair Income: Photovoice as a tool for social change. Public presentation to regarding action strategies to address poverty in Alberta, Rocky Mountain House, AB, 2005.
37. Advocating for Women and a Fair Income: Photovoice as a tool for social change. Public presentation to regarding action strategies to address poverty in Alberta, St. Paul, AB, 2005.
38. Advocating for Women and a Fair Income: Photovoice as a tool for social change. A workshop presented at the Educating for Global Citizenship and Human Rights Conference, November 11-13, 2004. Edmonton, AB: University of Alberta.
39. Advocating for women and a fair income: Photovoice as a tool for social change. Health Research Transfer Network of Alberta, Watercooler Session (Provincial Video-teleconference), November 8 2004. Edmonton, Alberta: Alberta Heritage Foundation for Medical Research
40. Social network analysis in the study of primary health care reform. Seminar presented to the Faculty and Staff of the Knowledge Utilization Studies Program, Edmonton, AB: University of Alberta (November 10, 2004)
41. The influence of social context on partnerships in health systems. Seminar presented to the Faculty and staff of the Knowledge Utilization Studies in Practice Unit, Edmonton, AB: University of Alberta. (November 2003)
42. An overview of qualitative research methods. Society for Academic Continuing Medical Education. Chicago, IL. 2000.
43. Collaboration: presenting opportunities for health education. Panel presentation, Alberta Public Health Association Conference, Calgary, AB. June 1997.

Curriculum Vitae

Years 1987-2000

1. **Scott-Taplin CM** (1987) Decisions, decisions – narrowing the choices. *Communication Outlook*, 10(2), 15-16.
2. **Scott-Taplin CM**, Smith, M., McLaughlin, J., Matthews, T. (1989) The wheelchair simulator: Powered wheelchair assessment and training. *Canadian Journal of Rehabilitation*, 3(1), 49-51.
3. **Scott CM** & Thurston, W. E. (1997) A framework for the development of community health agency partnerships. *The Canadian Journal of Public Health*, 88(6), 416-420.
4. Hilsden, R. J., Dunn, C., Patten, S., **Scott CM** & Verhoef, M. J. (1998) Information needs and seeking behaviors of patients with inflammatory bowel disease. *Canadian Journal of Gastroenterology*, 12(Suppl A), 96A.
5. Thurston, W. E., Cory, J. & **Scott CM**. (1998) Building a feminist theoretical framework for screening of wife-battering: Key issues to be addressed. *Patient Education and Counselling*, 33, 299-304.
6. Hilsden, R. J., **Scott CM** & Verhoef, M. J. (1998) Complementary medicine use by patients with inflammatory bowel disease. *The American Journal of Gastroenterology*, 93(5), 697-701.
7. Verhoef, M. J., **Scott CM** & Hilsden, R. J. (1998) A multimethod research study on the use of complementary therapies among patients with inflammatory bowel disease. *Alternative Therapies in Health and Medicine*, 4(4), 68-71.
8. Casebeer, A., **Scott CM**, Hannah, K. (2000) Transforming a health care system: Managing change for community gain. *Canadian Journal of Public Health*, 92(2), 89-93.

Years 2002-2007

9. **Scott CM**, Thurston, W. E. & Crow, B. A. (2002) Development of healthy public policy: Feminist analysis of conflict, collaboration and social change. *Health Care for Women International*, 23(6): 530-539.
10. **Scott CM**, Verhoef, M. J. & Hilsden, R. J. (2003) Inflammatory bowel disease patients' decisions to use complementary therapies: Links to existing models of care. *Complementary Therapies in Medicine*, 11, 22-27.
11. Thurston, W.E., **Scott CM**, Horne, T. & Donner, L. (2003) Constraints on women's health partnerships among sectors: Lessons from Canada. *Canadian Journal of Nursing Research*, 35(3), 108-122.
12. **Scott CM** & Thurston, W. E. (2004) The influence of social context on partnerships in Canadian health systems. *Gender, Work and Organization*, 11(5), 481-505.
13. MacKean, G. L., Thurston, W. E. & **Scott CM**. (2005) Bridging the divide between families and health professionals' perspectives on family centered care. *Health Expectations*, 8, 74-85.
14. Gerrard, N., Thurston, W.E., **Scott CM** & Meadows, L. M. (2005) Silencing women in Canada: The effects of the erosion of support programs for farm women. *Canadian Women's Studies*, 24(4), 59-66.
15. Vanderheyden, L., **Scott CM** & Pain K. (2006) Evaluability assessment as a tool for research network development: Experiences of the complementary and alternative medicine education and research network of Alberta, Canada. *Canadian Journal of Program Evaluation*, 21(1), 63-82.

Curriculum Vitae

16. Weeks, L., Verhoef, M. & **Scott CM**. (2007) Presenting the alternative: Cancer and complementary and alternative medicine in the Canadian print media. *Support Care in Cancer*, 15, 931-938.
17. Hofmeyer A., Newton, A. & **Scott CM**. (2007) Valuing the scholarship of integration and the scholarship of application in the academy for health sciences scholars: Recommended methods. *Health Research Policy and Systems*, 5(5).
18. Hofmeyer, AT & **Scott CM**. (2007) Moral geography of focus groups with participants who have preexisting relationships in the workplace. *International Journal of Qualitative Methods*, 6(2), Article 5.
19. **Scott CM** & Hofmeyer AT. (2007) Acknowledging complexity: critically analyzing context to understand interdisciplinary research. *Journal of Interprofessional Care*, 21(5), 491-501.

Years 2008-2013

20. **Scott CM** & Hofmeyer AT. (2008) Networks and social capital: a relational approach to primary healthcare reform. *Health Research Policy and Systems*, 5(9). Retrieved September 30, from <http://www.health-policy-systems.com/content/5/1/9>.
21. Russell-Mayhew, M., **Scott CM** & Stewart M. (2008) The Canadian obesity network and interprofessional practice: Members' views. *Journal of Interprofessional Care*, 22(2), 149 – 165.
22. Newton MS, Hofmeyer AT, **Scott CM**, Angus D & Harstall C. (2009) More than mingling: The potential of networks in facilitating knowledge translation in health care. *Journal of Continuing Education in the Health Professions*, 29(3): 192-193.
23. Casebeer AL, Popp J, **Scott CM**. (2009) Positively deviant networks: What are they and why do we need them? *Journal of Organization & Management*, 23(6): 610-626.
24. **Scott CM**, Seidel J, Bowen S, Gall VN. (2009) Integrated health systems and integrated knowledge: Creating space for putting knowledge into action. *Healthcare Quarterly*—Special Issue: Building Connections: Best Practices in Health System Integration, 13(Sp): 30-36.
25. Thannhauser J, Russell-Mayhew S, **Scott CM**. (2010) Measures of interprofessional education & collaboration. *Journal of Interprofessional Care*, 24(4): 336-349.
26. Hofmeyer, AT, **Scott CM**, & Lagendyk LE. (2012) Researcher-decision-maker partnerships in health services research: Practical challenges, guiding principles. *BMC Health Services Research*, 12: 280 doi: 10.1186/1472-6963-12-280.
27. Poulin P, Kyle, Austen L, **Scott CM**, Waddell, C, Dixon E, Poulin M, Lafreniere R. (2013) Multi-criteria development and incorporation into decision tools for health technology adoption. *Journal of Health Organization and Management*, 27, 2.
28. Poulin P, Austen L, **Scott CM**, Poulin M, Gall N, Seidel J, Lafrenière R. (2013) Introduction of new technologies and decision-making processes: A framework to adapt a local health technology decision support program for other local settings. *Medical Devices*, (6):185-93.

Years 2014-2019

29. Harris MF, Advocat J, Crabtree BF, Levesque JF, Miller WL, Gunn JM, Hogg W, **Scott CM**, Chase SM, Halma L, Russell GM. (2016) Interprofessional teamwork innovations for primary health care practices and practitioners: Evidence from a comparison of reform in three countries. *Journal of Multidisciplinary Healthcare*, 9:35-46.

Curriculum Vitae

30. Levesque JF, Harris M, **Scott CM**, Crabtree B, Miller W, Halma L, Hogg B, Weenink JM, Advocat J, Gunn J, Russell GM. (2017) Levels and intensity of interprofessional teamwork in primary care: evidence from five international jurisdictions. *Family Practice*, cmx103, <https://doi.org/10.1093/fampra/cmx103>.
31. Crabtree B, Miller W, Gunn J, Hogg B, **Scott CM**, Levesque JF, Harris MF, Chase S, Advocat J, Halma L, Russell GM. (2017) Uncovering the Wisdom Hidden Between the Lines: The Collaborative Reflexive Deliberative Approach. *Family Practice*, cmx091, <https://doi.org/10.1093/fampra/cmx091>.
32. Russell GM, Miller W, Gunn J, Levesque JF, Harris M, Hogg B, **Scott CM**, Advocat J, Halma L, Chase S, Crabtree B. (2017) Behind the curtain of successful primary care teams: Lessons from reform interventions in five jurisdictions in three countries. *Family Practice*, cmx095, <https://doi.org/10.1093/fampra/cmx095>.
33. Ploeg J, Wong ST, Hassani K, Yous ML, Fortin M, Kendall C, Liddy C, Markle-Reid M, Petrovic B, Dionne E, **Scott CM**, Wodchis WP. (2019) Contextual factors influencing the implementation of innovations in community-based primary health care: The experience of 12 Canadian research teams. *Primary Health Care Research & Development*, 20, E107. doi:10.1017/S1463423619000483.
34. Russell G, Kunin M, Harris M, Levesque JF, Descoteaux S, **Scott C**, Lewis V, Dionne E, Advocat J, Dahrouge S, Stocks N, Sponner C, Haggerty J. (2019) Improving access to primary health care for vulnerable populations in Australia and Canada: Protocol for a Mixed-Method Evaluation of six complex interventions. *BMJ Open* 2019;9:e027869. doi: 10.1136/bmjopen-2018-027869
35. Martin-Misener R, Wong S, Johnston S, Blackman S, **Scott C**, Hogg W, Burge F, Groot A, Campbell J, Wuite S. (2019) Regional variation in primary care improvement strategies and policy: case studies that consider qualitative contextual data for performance measurement in three Canadian provinces. *BMJ Open* 2019;9:e029622. doi: 10.1136/bmjopen-2019-029622.
36. Russell G, Kunin M, Harris M, Levesque JF, Descoteaux S, **Scott C**, Lewis V, Dionne E, Advocat J, Dahrouge S, Stocks N, Spooner C, Haggerty J (2019). Improving access to primary healthcare for vulnerable populations in Australia and Canada: protocol for a mixed-methods evaluation of six complex interventions. *BMJ Open* 2019: 9e027869. doi:10.1136/bmjopen-2018-02869. pp1-12

Years 2021-ongoing

37. Spooner C, Lewis V, **Scott C**, Dahrouge S, Haggerty J, Russell G, Levesque JF, Dionne E, Stocks N, Harris M, IMPACT team (2021). Improving access to primary health care: a cross-case comparison based on an a priori program theory. *International Journal for Equity in Health*, 20(1), 223. <https://doi.org/10.1186/s12939-021-01508-0>
38. Loban, E.; **Scott, C.**; Lewis, V.; Law, S.; Haggerty, J. (2021). Activating Partnership Assets to Produce Synergy in Primary Health Care: A Mixed Methods Study. *Healthcare*, 9, 1060. <https://doi.org/10.3390/healthcare9081060>

Curriculum Vitae

39. Loban K, **Scott C**, Lewis V, Law S, Haggerty J (2021) Improving primary health care through partnerships: Key insights from a cross-case analysis of multi-stakeholder partnerships in two Canadian provinces. *Health Science Reports* DOI: 10.1002/hsr2.397
40. Loban K, Scott C, Lewis V, Haggerty J (2021). Measuring partnership synergy and functioning: multi-stakeholder collaboration in primary health care. *PLOS ONE*, <https://doi.org/10.1371/journal.pone.0252299>
41. Manalili K, Lorenzetti D, Oluwaseun E, O'Beirne M, Hemmelgarn B, **Scott CM**, Santana MJ (2021). The effectiveness of person-centred quality improvement strategies on the management and control of hypertension in primary care: a systematic review and meta-analysis. *Journal of Evaluation in Clinical Practice*. <https://doi.org/10.1111/jep.13618>
42. Russell G, Westbury S, Clifford S, Sturgiss E, Fragkoudi A, Kunin M, Macindoe R, Walsh J, Scott C (2022). Improving access for the vulnerable: a mixed-methods feasibility study of a Pop-Up model of care in South-Eastern Melbourne, Australia. *Australian Journal of Primary Health*
43. Schraeder, K., Allemang, B., Felske, A. N., Scott, C. M., McBrien, K. A., Dimitropoulos, G., & Samuel, S. (2022). Community based Primary Care for Adolescents and Young Adults Transitioning From Pediatric Specialty Care: Results from a Scoping Review. *Journal of Primary Care & Community Health*, 13, 21501319221084890. doi:10.1177/21501319221084890

v. Paper, workshop or poster presentations with published abstracts

1. Lewis, V.L., Scott, C.M. & Miller, W. (2023). A longitudinal multi-site evaluation of community-based partnerships: implications for researchers, funders, and communities. Paper presentation - North American Primary Care Research Group Annual Conference, San Francisco, CA, October 31.
2. Scott, C.M., Haggerty, J., & Lewis, V.L. (2023). Support to spread innovations through community-academic collaborative research: the Collaboration for Spread Handbook. Workshop - North American Primary Care Research Group Annual Conference, San Francisco, CA, November 1.
3. Mallard R, Spenceley S, Lundy C, **Scott C**, Halma L, on behalf of the IMPACT team. (2019) Meaningful community engagement in primary healthcare transformation: Lessons learned from participatory action research. Poster presented at: North American Primary Care Research Group Annual Meeting; Toronto, ON.
4. **Scott C**, Mallard R, Spenceley S, Lundy C, Halma L, on behalf of the IMPACT team. (2019) Making primary healthcare more approachable and engaging: Guiding principles from an ecological model. Poster presented at: North American Primary Care Research Group Annual Meeting; Toronto, ON.
5. Mallard R, **Scott C**, Lundy C, Halma L, Dionne E, on behalf of the IMPACT team. (2019) A pop-up model of service delivery: Components and tools that lead to a supportive, engaging, and welcoming environment. Poster presented at: North American Primary Care Research Group Annual Meeting; Toronto, ON.

Curriculum Vitae

6. Mallard R, Donahue S, Spenceley S, Lundy C, Halma L, Andres C, **Scott CM**, on behalf of the IMPACT team. (2019) Primary care at a pop-up health and community services event in North Lethbridge. Poster presented at: Toronto International Conference on Quality in Primary Care; Toronto, ON.
7. **Scott CM**, Dahrouge S, Haggerty J. (2019) Knowledge Translation & Exchange. Concurrent Panel Session. Canadian Association for Health Services and Policy Research Scientific Conference; Halifax, NS.
8. Mallard RW, **Scott CM**, Barnes J, Lundy C, Spenceley S, Donahue S, Halma L, on behalf of the IMPACT team. (2019) Enhancing access to care through a pop-up model of service delivery: Service provider practice changes and organizational policy implications. Poster presented at: Canadian Association for Health Services and Policy Research Scientific Conference; Halifax, NS.
9. **Scott CM**, Barnes J, Mallard RW, Spenceley S, Andres C, Perrin S, Lundy C, Donahue S, Halma L, Pogorzelski R, Walker G, on behalf of the IMPACT team. (2018) Data collection in interventions for vulnerable populations: Balancing rigour and adaptability. Poster presented at: Building on Excellence: Accelerating the Impact of Cross-Jurisdictional Primary Health Care Research in Canada, Joint Meeting of The Community-Based Primary Health Care 12-Teams and The SPOR Primary and Integrated Health Care Innovation Network; Montreal, QC.
10. Barnes J, Mallard RW, **Scott CM**, Spenceley S, Andres C, Perrin S, Lundy C, Donahue S, Halma L, Pogorzelski R, Walker G., on behalf of the IMPACT team. (2018) Pop-Up Inspirations for Change: Service Providers Reflect on Knowledge, Attitudes, and Behaviours to Improve Access to Care. Poster presented at: North American Primary Care Research Group Annual Meeting; Chicago, IL.
11. Mallard RW, Barnes J, **Scott CM**, Spenceley S, Andres C, Perrin S, Lundy C, Donahue S, Halma L, Pogorzelski R, Walker G, on behalf of the IMPACT team. (2018) Increasing Access to Care through Shared Space: Space is Not Enough. Poster presented at: North American Primary Care Research Group Annual Meeting; Chicago, IL.
12. Mallard RW, Barnes J, **Scott CM**, Spenceley S, Andres C, Perrin S, Lundy C, Donahue S, Halma L, Pogorzelski R, Walker G, on behalf of the IMPACT team. (2018) Trusting and Trying: Innovating in the Community. Poster presented at: North American Primary Care Research Group Annual Meeting; Chicago, IL.
13. Manalili K, **Scott CM**, O'Beirne M, Hemmelgarn B, Santana MJ. (2018) Enhancing Person-Centred Practice in Primary Care: Implementation & Evaluation of Quality Indicators Informed by the Patient Perspective. Poster presented at Campus Alberta Student Conference on Health 2018; Calgary, AB.
14. Manalili K, **Scott CM**, Santana MJ. (2018) Assessing the feasibility of implementing person-centred quality indicators in Alberta. Poster Presented at Canadian Association for Health Policy and Research 2018; Toronto, ON.
15. **Scott CM**, Mallard RW, Barnes J, Spenceley S, Andres C, Perrin S, Lundy C, Donahue S, Halma L, Pogorzelski R, Walker G. (2018) Successes and challenges associated with using a participatory action research approach to implement a pop-up model of primary healthcare service delivery. Oral presentation by R Mallard at the Alberta SPOR Support Unit Summer Institute 2018, Calgary, AB, May 14-16.

Curriculum Vitae

16. Dionne E, **Scott C**, Haggerty J, on behalf of the IMPACT research team. (2018) Narrative approach to qualitative evaluation research in complex, multi-site, participatory research program: an innovative and rigorous approach to qualitative analysis in health evaluation research. International Institute for Qualitative Methods, Banff, Alberta, May 2.
17. **Scott CM**, Lewis V on behalf of the IMPACT Team. (2018) The IMPACT approach. Joint meeting of the Community-based Primary Healthcare (CBPHC) CIHR 12 Teams and the SPOR Primary and Integrated Health Care Innovations Network (PIHCIN), Montreal QC, December 6-7.
18. Dionne E, Haggerty J, Dahrouge S, **Scott C** on behalf of the IMPACT team. (2018) Cross-jurisdictional collaboration for an intervention-driven research program. Joint meeting of the Community-based Primary Healthcare (CBPHC) CIHR 12 Teams and the SPOR Primary and Integrated Health Care Innovations Network (PIHCIN), Montreal QC, December 6-7.
19. Toal-Sullivan D, Beaulieu C, Mallard R, Perrin S, Lundy C on behalf of the IMPACT team. (2018) Navigation to improve access to primary healthcare for vulnerable populations. Joint meeting of the Community-based Primary Healthcare (CBPHC) CIHR 12 Teams and the SPOR Primary and Integrated Health Care Innovations Network (PIHCIN), Montreal QC, December 6-7.
20. **Scott CM**, Barnes J, Mallard R, Spenceley S, Andres C, Perrin S, Lundy C, Donahue S, Halma L, Pogorzelski R, Walker G on behalf of the IMPACT team. (2018) Data collection in interventions for vulnerable populations: balancing rigour & adaptability. Joint meeting of the Community-based Primary Healthcare (CBPHC) CIHR 12 Teams and the SPOR Primary and Integrated Health Care Innovations Network (PIHCIN), Montreal QC, December 6-7.
21. Mallard R, Barnes J, **Scott CM**, Spenceley S, Andres C, Perrin S, Lundy C, Donahue S, Halma L, Pogorzelski R, Walker G on behalf of the IMPACT team. (2018) Trusting and trying: innovating in the community. NAPCRG, Chicago IL, November 9-13.
22. Mallard R, Barnes J, **Scott CM**, Spenceley S, Andres C, Perrin S, Lundy C, Donahue S, Halma L, Pogorzelski R, Walker G on behalf of the IMPACT team. (2018) Increasing access to care through shared space: space is not enough. NAPCRG, Chicago IL, November 9-13.
23. Loban E, **Scott C**, Lewis V, Law S, Beaulieu C, Wang W, Haggerty J. (2018) Driving organizational innovation in primary healthcare through multi-stakeholder partnerships. NAPCRG, Chicago IL, November 9-13.
24. Barnes J, Mallard R, **Scott CM**, Spenceley S, Andres C, Perrin S, Lundy C, Donahue S, Halma L, Pogorzelski R, Walker G on behalf of the IMPACT team. (2018) Pop-up inspirations for change: service providers reflect on knowledge, attitudes, and behaviours to improve access to care. NAPCRG, Chicago IL, November 9-13.
25. Haggerty J, Smithman, MA, Sauve C, Breton M, Beaulieu C, Loban E, **Scott C**. (2018) Back to the drawing board: using rapid cycle evaluation to collaboratively re-design an organizational intervention to enhance access to primary care for socially vulnerable populations. CAHSPR Conference – Shaping the Future of Canada’s Health Systems, Montreal QC, May 29-31.
26. Dionne E, **Scott C**, Charlebois K, Lewis V, Haggerty J, Barnes J, Mallard R, Toal-Sullivan D, Kunin M, Russell G on behalf of the IMPACT team. (2018) Narrative-based methodology for qualitative health research: ensuring quality, rigor, consistency and efficiency in a mixed methods health research evaluation protocol. CAHSPR Conference – Shaping the Future of Canada’s Health Systems, Montreal QC, May 29-31.

Curriculum Vitae

27. Dionne E, **Scott C**, Mallard R, Barnes J, Toal-Sullivan D, Charlebois K on behalf of the IMPACT team. (2018) Perspectives of vulnerable people and care providers on challenges to access primary healthcare: a preliminary qualitative analysis. CAHSPR, Montreal QC.
28. Dionne E, Mallard R, Smithman MA, Loban E, **Scott C**, Haggerty J on behalf of the IMPACT Team. (2017) Knowing when, where, who and how to engage in participatory action research (PAR): lessons from a Canadian-Australian research program that aims to improve the access of vulnerable people to primary healthcare via organizational changes. NAPCRG Annual Meeting, Montreal QC, November 17-21.
29. Loban E, **Scott C**, Lewis V, Law S, Haggerty J. (2017) Multi-stakeholder partnerships to promote access to primary healthcare for vulnerable populations: a mixed methods study. NAPCRG Annual Meeting, Montreal QC, November 17-21.
